Hall Family Christmas Lights

We would like to thank everybody who supported our Christmas light switch on, the generosity was unreal from the evening of the light switch on and thank you to all who helped out to make the evening run smoothly.

The aim was to raise money to purchase a cuddle cot for King's Lynn maternity unit, so we set the target at £1300. The target was high but we had planned to fundraise with another event to reach our goal. This year with the fantastic prizes kindly donated we set up the grand raffle.

We had amazing response to selling tickets and raised £1040, we raised over £500 the evening of the light switch-on, and with other donations of £800 + we have amazingly raised £2500. Which, as you can imagine, has really blown us away: it is more than we ever thought we could raise. We will be purchasing the cuddle cot and, after a conversation with the bereavement midwife, we will also be purchasing for them a privacy pram (to give the family a less clinical feel to a horrible situation), and special teddies for families to cherish, along with baby-grows that will be purchased with the remaining funds.

We would not have been able to raise these funds without your generosity you have really made a difference to so many families. And we can't thank you enough. We have already started planning ahead to next year, many lights have been purchased with something new planned. If there is a charity that you feel would benefit from our light switch-on please do let us know.
